

Opening Doors Event & Table Sponsorship

Please join us as a sponsor at our annual Opening Doors Gala for an evening of fun, philanthropy, and community! The event typically brings together 300+ of our partners and supporters from across Minnesota to celebrate the work of Emma Norton. The gala and silent auction raises critical funding for the more than 350 formerly homeless women, individuals, and families we serve. This year's event is at the Intercontinental Riverfront St. Paul—offering a beautiful venue for our guests and sponsors!
